

## LIME Menu

In a LIME you are invited to drop your robe, cares, guard and anything else that has been weighing you down. We invite you to come out of the past, out of your comfort zone and out of your shell. LIME is more than skin deep. We get right to the pulp, without ignoring the outer peel. Our team will treat you intuitively and individually, whether through a “bespoke” facial or “made to measure” massage for deeper transformation.
